

# Online Food Safety Manager Certification Training

Food Safety & Environmental Solutions LLC  
2252 Clearbrook Court  
Wauconda, IL 60084  
(847) 865-5106

The TAP Series online Food Safety Manager Certification Training Course offers a high quality presentation and is simple to use. Hours of video, audio and interactive learning games, with all text and narration in both English and Spanish. No time limits. Take as much time as needed. 97.3% first time pass rate for those following warranty requirements. Qualified students that fail the examination are re-trained with no further cost. Includes a sample certification examination, in both Spanish and English. After completing the sample exam, each question can be reviewed and instantly links to those sections in the training where the scores indicate further study is needed.
